**ERRATUM**

Environmental Clearance was issued to Sri.Mohammed Fazeel T.A, Managing Director, M/s Royal Sand & Gravels Pvt. Ltd, Plaza Junction, Dhoni P.O, Palakkad, Kerala – 678 009 for the quarry project in Sy. Nos. 2, 14, 15 and 16/1 at Akathethara Village and Panchayath, Palakkad Taluk, Palakkad District for an area of 9.3928 hectares based on the decision of 30<sup>th</sup> meeting of SEIAA held on 09.05.2014, vide reference 1<sup>st</sup> above.

The proponent, vide reference 2<sup>nd</sup> cited above has submitted an application for renewal of EC. The matter has been examined and found that at the front page of the Order granting EC, it is mentioned that validity expires on 23.05.2019. In the Order granting EC to the proponent it is stated that the EC is for a period of 15 years from 24.05.2015 subject to renewal in every five years.

The matter was placed in the 88<sup>th</sup> meeting of SEIAA held on 25.01.2019. Authority observed that the term 'renewal' in EC No.160/SEIAA/KL/3490/2013 dated. 24.05.2014

creates ambiguity, hence decided to replace the word 'renewal' with 'review'. The validity of the EC will be 15 years from 24.05.2014 subject to review in every 5 years.

As decided by SEIAA the word 'renewal' referred in the 8<sup>th</sup> paragraph of the Order read as 1<sup>st</sup> paper above is modified and corrected to read as 'review'. The validity of the EC will be 15 years from 24.05.2014 subject to review in every 5 years.

The Environmental Clearance issued as per the paper read as 1<sup>st</sup> paper above stands modified to the above extent only.

-----  
**Dated this the 22<sup>nd</sup> day of July, 2020**

**JUDGMENT**

The case set up in the Writ Petition (Civil) is as follows :

*That the petitioner is a resident of Dhoni in Palakkad district. The petitioner approaches this Court being highly aggrieved by the non-consideration of his representation by the 1<sup>st</sup> respondent, which highlights the illegal mining operations done by the 2<sup>nd</sup> respondent in his quarry flouting all the conditions laid down in Exhibit P1 clearance. That the petitioner submits that the mining operations presently carried out by the 2<sup>nd</sup> respondent are by flouting the conditions laid down in Exhibit P1 clearance, that too obtained by submitting false information. That the petitioner also submits that on enquiry it is also learnt that Exhibit P1 by the 2<sup>nd</sup> respondent has been obtained by deliberately concealing various information in the Form-1 application. As a result of which, there has been heavy environmental degradation in the area of the petitioner. That the petitioner submits that as per Regulations 8(vi) of the EIA Notification, 2006, any deliberate concealment and/or submission of false or misleading information or data which is material to screening or scoping or appraisal or decision on the application shall make the*

application liable for rejection, and cancellation of prior environmental clearance granted on that basis. Hence, the petitioner believes that upon bringing to the ~~the~~ notice of the above mentioned illegalities, the 1<sup>st</sup> respondent has to conduct an enquiry, and is duty bound to hear the petitioner as well as the 2<sup>nd</sup> respondent and pass orders on Exhibit P2 in a time bound manner. That moreover, the area where the mining operations is being carried is having high risk of landslide as classified by the National Centre for Earth Science Studies. The blasting operations causes much risk to the locality for landslides and landslips and must be curtailed at all costs. The factual aspect also was not disclosed by the 2<sup>nd</sup> respondent while obtaining Exhibit P1. Hence, the 1<sup>st</sup> respondent was not able to appraise this aspect with regard to the 2<sup>nd</sup> respondent's project. Through a judgment reported in 2019 KHC 803 this Court held that the 1<sup>st</sup> Respondent has a duty to do post EC Monitoring. However, even after a period of almost an year, the 1<sup>st</sup> respondent has not taken any steps to curtail the illegal mining operations of the 2<sup>nd</sup> respondent or even hear the petitioner's grievances. The petitioner believes that the inaction of the 1<sup>st</sup> respondent herein facilitating the 2<sup>nd</sup> Respondent to perpetuate the illegality.

2. It is in the light of these averments and contentions that the petitioner has filed the instant Writ Petition (Civil) with the following prayers :

- i) *"Issue a writ of mandamus or any other appropriate writ directing the 1<sup>st</sup> respondent to consider on Exhibit P2 representation, in accordance with law.*
- ii) *Pass such any other order, direction or reliefs as this Hon'ble Court may deem fit in the interest of justice, equity and good conscience."*

3. Heard Sri.Rajan Vishnuraj, learned counsel appearing for the petitioner and Sri.M.K.Aboobacker, learned Standing Counsel for Kerala State Environment Assessment Authority appearing for R1. In the nature of the orders proposed to be passed in this petition, notice to contesting respondent No.2 will stand dispensed with.

4. Without getting into the merits of the controversy in any manner, it is ordered that the 1<sup>st</sup> respondent will take up the matters raised by the petitioner in Ext.P2 representation dated 20.7.2019 for consideration without much delay and may conduct an inspection, if necessary with due prior notice to the 2<sup>nd</sup> respondent and the petitioner and copies of the inspection report may then be given in advance to the 2<sup>nd</sup> respondent and the petitioner and thereafter, the 2<sup>nd</sup> respondent and the petitioner shall be afforded reasonable opportunity of being heard through their authorized representative/counsel, if any and then the competent authority of the respondent will take a considered decision on the matters raised in Ext.P2 representation in accordance with law, without much delay, preferably within an outer time limit of 3 months from the date of production of a certified copy of this judgment.

5. The petitioner will produce certified copy of this judgment along with the memorandum of this W.P.(C.) with all the exhibits before

the Secretary of the 1<sup>st</sup> respondent-State Environment Impact Assessment Authority for necessary information and further action. Registry will forward a certified copy of this judgment to contesting respondent No.2, at the cost of the petitioner.

With these observations and directions, the above Writ Petition (Civil) will stand finally disposed of.
